SUMMARY

Revenue has generally fluctuated between €390K and €460K per month over the past 12 months, with the highest point in June 2025 at €459,580 and a consistent mid-range performance through the rest of the period. There is a notable drop in May 2026 to just €87,581, though this likely reflects an incomplete month rather than a genuine decline. Overall, the trend shows relatively stable revenue with no strong upward or downward trajectory across the full period.
